## Stainless Steel Features

Constructed of 22 gauge (pilasters are 20 gauge), 300 Series Satin Finish Stainless Steel. Unique Permaseal seamless design features unitized construction, which provides superior panel integrity against water penetration to stop panels rusting from the inside. Corners are welded underneath a clip that is affixed to all corners.

## Fast Ship Program FAQ

**Q: Can I use the Fast Ship Program to place stock orders?**

A: Fast Ship Program is intended for a “per job” basis. Please choose the 48 hour ship option in Quotable.

**Q: Where can I find my submittal drawings?**

A: Drawings are available in Quotable and will be shipped with the order similar to standard partition orders.

**Q: Where is freight calculated?**

A: Freight is calculated in Quotable, same as standard ship orders.

**Q: Can I select any stainless finish?**

A: Available in Satin Finish Stainless Steel only. When you choose 48 hour ship option, this will be the only material available.
